

Mother Goose on the Loose

Songs and Rhymes

Opening Rhymes

Old Mother Goose, when she wanted to wander,
would fly through the air on a very fine gander.

Goosey goosey gander,
Where do you wander?
Upstairs, downstairs,
In my lady's chamber.

Two little spotted owls sitting in the snow;
One named Fast, the other names Slow.
Fly away Fast, fly away Slow.
Come back Fast, come back Slow.

Two little spotted owls sitting on a cloud;
One named Soft, the other named Loud.
Fly away Soft, fly away Loud.
Come back Soft, come back Loud.

Head, Hands, Body

Two little eyes to look around.
Two little ears to hear a sound.
One little nose to smell what's sweet.
One little mouth that likes to eat!

Here are baby's fingers,
here are baby's toes.
Here is baby's belly button,
'round and around it goes!

First we wave our hands up high,
Hands up high, hands up high.
First we wave our hands up high,
Then we clap them!
Now we shake our hands down low,
Hands down low, hands down low.
Now we shake our hands down low,
Then we hide them!

Knee Bounces

See-saw, Scaradown,
this is the way to Londontown.
One knee up and the other knee down,
this is the way to London town.

Mother and father and Uncle John
went to town one by one.
Mother fell off. And father fell off.
But Uncle John went on and on and
on and on and on...

Oh, the Grand old Duke of York,
He had ten thousand men.
He marched them up to the top of the hill
and he marched them down again.
And when they were up they were up,
And when they were down, they were down.
And when they were only half way up,
They were neither up nor down.

One I love you, two I love you,
Three I love you so! Four I love you ,
Five I love you, rock you to and fro.
Six I love you, seven I love you,
Eight you love me too! Nine I love you,
Ten I love you, my Bouncing Buckaroo!
